

BUGGY USAGE

Dear Esteemed Members!

With regard to the recent announcement by Prime Minister on MCO, MGA has given the directive on 12th January 2021 that only single buggy ride is **ALLOWED**. Hence, the club shall implement this effective on 15th January 2021. However, we shall continue with **TWIN SHARING** as soon as the plastic separator is installed in the near future.

Any inconvenience caused is very much regretted.

Thank you.

Management
