

Dear Esteemed Members,

Referring to our notice dated 29th January 2021, based on the announcement by the Malaysian Government that the MCO will be extended until 18th February 2021.

Therefore, the club has no choice but to cancel all bookings that have been made earlier. However, if there is a change in the implementation of this MCO, the club will take a necessary action for the benefit of all members.

We wish all to be patient and we apologize for any inconvenience caused.
